

AI Knowledge Search Response Bot

For External Facing, Customer Inquiries and Internal Facing, Employee Inquiries

How Can We Help You?

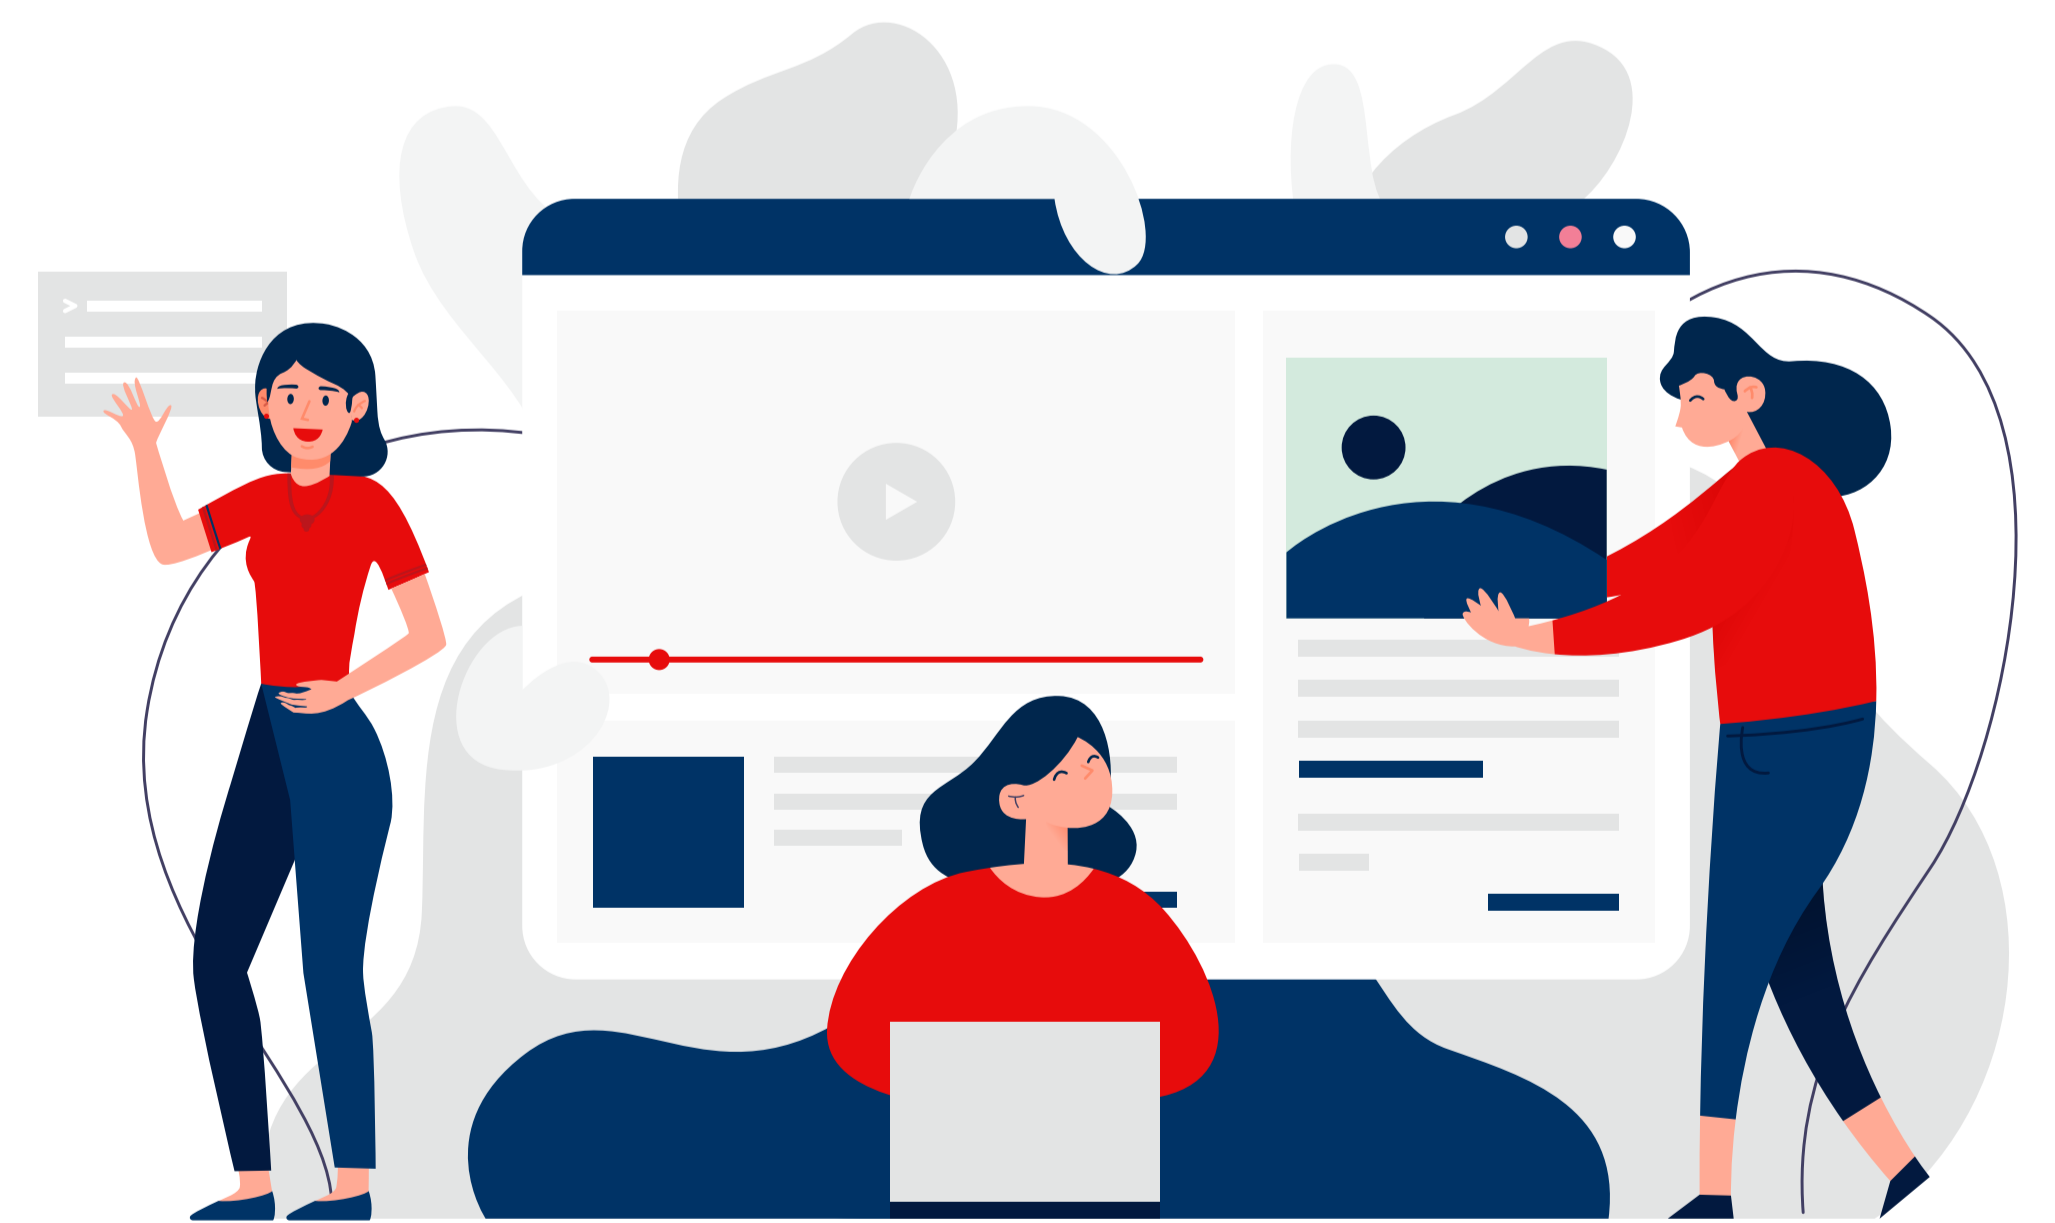

Engage 2 Engage's
AI Knowledge Search Functions
as a 24/7 Self-Service Help Center

Through Lightning Speed,
the System Generates Immediate
Answers to Your Specific Query
Based on Various Documentations,
Like Guides, and Articles

The **Initial Immediate**
and **Tailored Response** is a
Summary Answer Without the Need
to Sift Through an Entire Article.

If More Insight is Needed, Then
Articles and AI Videos Can Be
Generated

Note:

These Results Are Based on Information Provided to the System. As the Organization Grows and Accumulates More Questions, Gets Better Organized With More Added Content, and AI Videos Continue to be Generated, the Better the Response Results.
